REWIEVS

- **Lillian Da:** During the summer intensive, I really learnt a lot from Vaganova teachers. They are so nice, kind and helpful, even I only learnt one year ballet. They still showed their patience to me.

I am also encouraged by the other students. They are so good. When I trained with them, I felt YES, one day I can be like them. Unfortunately, I couldn't be on campus, hopefully next year I will still get such opportunity to summer intensive. I can't wait for it!

- **Cyra Bhatnagar:** Cyra had a wonderful time at the RMB Camp. As a parent I it was so nice to see your energetic and helpful super staff's dedication behind the scenes to ensure the everyday functioning of the intensives. Cyra wasn't a resident, but your team made such a fun schedule that Cyra definitely wants to come back next year and says this time she will stay in the residence.

- **Magdalena Volkanova:** On behalf of my daughter and mine too, we would like to thank you for the unforgettable experience that we had with you here in wonderful city of Burgas!

My daughter Magdalena Valkanova took part in the summer intensives as part of grade P1. She has never been so enthusiastic and excited. And I hope that the new skills she has learned with your amazing teachers will improve her performance abilities for life! And seeing Maria Khoreva in person... I am speechless!

OUR PHILOSOPHY:

1. Mastery Comes From The Inside

When seeking Mastery, we are tempted to refer to external circumstances. But the power and dedication we need to reach our goals is already inside us.

2. We Are Our Actions

We tend to think that our lives mainly depend on factors beyond our control. But the equation happens in reverse. To achieve greatness, we must fully embrace responsibility for our own actions and admit the power that is given to each of us.

3. Together We Are One

Support and help come when you support and help people around you. We are family and we care about each other.

4. Dance At Each Step

The path to Mastery can sometimes be long and tough. But it becomes way shorter and enjoyable when you do everything with passion, when you dare to dance and appreciate what comes along the way.

5. Thank You, Body!

From the moment you were born to the last day of your life, you'll have your best friend with you. Every day it helps you to express yourself and supports you no matter what. This friend is your Body. Treat it well!
